

## **Master of Business Administration (M. B. A.)**

### **Institutes:**

- **Abhijit Kadam Institute Of Management And Social Sciences Solapur**
- **Institute Of Management And Entrepreneurship Development Pune**
- **Institute Of Management And Research New Delhi**
- **Institute Of Management And Rural Development Administration Sangli**
- **Institute Of Management Kolhapur**
- **Yashwantrao Mohite Institute Of Management Karad**

### **Specialization:**

Marketing Management

Financial Management

Human Resource Management

Information Technology Management

International Business Management

Production & Operations Management

Agribusiness Management Retail Management

**Duration:** 2 years

### **Highlights:**

- Re- Accredited with A+ Grade by NAAC in year 2017 ( “ A” Grade in year 2004 & 2011)
- A” Grade University Status awarded by MHRD, Govt. of India
- Ranked among Top 75 B-School in India by NIRF 2019
- Ranked among Top 80 B – School in India by India Today 2020
- Ranked Among Top 25 B- School in North India by Business Today 2020
- Ranked Among Top 25 B – School in North India by The Week 2020
- Rated AAA+ in North India by career 360 Magazine 2020
- Excellent Placement Record with highest package offered `15.25 lac (National) & `18 lac (International).
- Excellent air-conditioned infrastructural and instructional facilities with Wi-Fi enabled Campus.
- Active Alumni Association (UNITED BRETHERN) with international chapters in Australia, USA,UK and UAE.
- Students have won more than 350 prizes in various off-campus state level and national level events.

## **Master of Computer Application (M. C. A.)**

### **Institutes:**

- **Abhijit Kadam Institute Of Management And Social Sciences Solapur**
- **Institute Of Management And Entrepreneurship Development Pune**
- **Institute Of Management And Rural Development Administration Sangli**
- **Institute Of Management Kolhapur**
- **Yashwantrao Mohite Institute Of Management Karad**

**Duration:** 2 years

**Highlights:**

- Excellent Industry-Institute Interface with about Eight International conferences and fourteen national conferences, many faculty and management development programs conducted with faculty having rich industry , research, teaching and consultancy experience
- Alumni Mentoring Program; SAARTHI to bridge industry-academia gap.
- CORRPOSCHOOL, the finishing school, for grooming learners' employability skills set under its CCPPT; Corporate Connect Personal and Professional Training Programmes.
- Academic rigour through Incorporation of Bloom's Taxonomy and KOLB's teaching and learning methodologies.
- An Academic Epitome, characterized by deep intellectual capital, nurturing the future leaders by imbibing entrepreneurial and entrepreneurial spirits.

**Master of Hospital Administration (M.H.A.)**

Institutes:

- **Centre for Health Management Studies and Research, Pune**

**Duration:** 2 years

**Highlights:**

- To provide a knowledge base for individuals who are interested in hospital and health care management.
- To help professionals develop analytical skills to face various issues in management of healthcare organizations.
- To enhance professional knowledge through theoretical, practical and on field training.
- To contribute trained and qualified personnel to ever growing field of hospital and healthcare management

**Master of Technology (M. Tech.)**

Institutes:

- **College Of Engineering Pune**

**Specialization:**

- Civil Hydraulic Engineering
- Computer Engineering
- Chemical Engineering
- Electronics VLSI
- Electrical-Power Systems
- Mechanical-CAD/CAM
- Information Technology
- Nanotechnology

### Highlights:

- Highly qualified and experienced faculty members
- Well equipped science laboratories and independent language laboratory
- Smart, spacious classrooms and independent tutorial rooms
- Audio-visual lecture capture system
- Continuous monitoring system for students Research oriented faculties
- Average placement is more than 75% in last five years.
- Industry driven programme curriculum to meet industrial need and technological advancement.
- Strong Industry-institution interaction (Liaison with more than 350 companies)
- Membership of professional bodies: IChE
- Industry Institute Interaction on variety of platforms.
- Good placement
- More entrepreneurs
- Innovative offline and online teaching learning process
- Industry oriented and skill development based curriculum

### M.Pharm /PharmD (PB)

#### Institute:

**Poona College of Pharmacy**

**Duration: 2 years**

#### Highlights:

- **Poona College of Pharmacy (PCP)** is reputed academic institute in this region of Maharashtra State approved by PCI and AICTE to provide B. Pharm education (since 1981), Post Graduate education (M. Pharm. Since 1985) in seven branches viz. Pharmaceutics, Pharmaceutical Chemistry, Pharmacology, Pharmacognosy, Pharmaceutical Biotechnology, Quality Assurance Techniques and Drug Regulatory Affairs, Pharm.D and Pharm.D (PB) education (2009) and B.Pharm Practice (2018). It is recognised centre for doctoral research in Pharmaceutical Sciences.
- Achieving quality standards set by apex bodies such as
  - Ranked **22<sup>nd</sup>** in India by **NIRF 2020**, Government of India.
  - Reaccredited for B.Pharm. Course by **NBA New Delhi** for **Third Cycle(2015)**
  - **“A”** Grade University Status awarded by **M.H.R.D., Govt. of India** & **‘A+’** grade by **NAAC** reaccreditation 2017
  - **ISO-9001-2015** Certified Institute
- Recognized **under section 2 (f) and 12 (B) of U.G.C. Act.** and **Inducted by UGC under the Special Assistance Programme (SAP)** by University Grants Commission (UGC).
- Recognised **Quality Improvement Programme centre** and also granted us the status of Quality Improvement Cell (Q.I.P.) for teaching fraternity to register themselves for M.Pharm. and Ph.D. programmes, **Industry-Institute Partnership Cell (IIPC)** and **Entrepreneurship development cell (EDC)** by AICTE.
- Rich and updated Library facilities alongwith digital library.

## **M.Sc. Environment Science & Technology/ M.Sc. Geoinformatics**

**Institute:**

**Institute of Environment Education and Research, Bharati Vidyapeeth (Deemed to be University) (BVIEER)**

**Duration: 2 years**

### **Highlights of M.Sc. (Environment Science and Technology) Program**

- The course uses a transdisciplinary approach integrating the science of environmental studies with social issues to build deeper cognitive understanding of the applications in the environmental sector.
- Inclusion of guest lectures from industry, government, extensive lab and field work.
- Course has extensive focus on developing competences in analytical techniques, problem solving, critical thinking, multicultural interactions and communications through internationalization of teaching –learning programs.
- Provides international environment certifications (ISO 14001, etc) along with the Masters degree
- Trains the students for mid level positions in industries, government and non government organizations, international agencies as well as for consultant positions.
- Strong research focus enables students to get admission into Ph.D. programs nationally and internationally.

### **Highlights of M.Sc. (Geoinformatics) Program**

- Industry ready curricula designed by experts from industry and government builds knowledge and competencies, in geovisualisation, geoanalytics, GeoIT, for jobs in diverse sectors such as urban planning, land use management, in-car navigation systems, environmental modeling and analysis, transport network, agriculture, climate change, oceanography, business location planning, telecommunications, crime management, etc.
- Inclusion of guest lectures from industry, government and international universities.
- Strong internationalization of curricula with teaching by international faculty and international internships being part of the course.
- Extensive hands on sessions with various softwares such as ArcGIS, ERDAS Imagine, IDRISI, ENVI and programming in Python, R, etc.
- Six month internship enabling the student to be industry ready and for placement. Alumni placed in various national and international industries and universities.

## **M Sc Biotechnology /M.Sc. Medical Biotechnology/M.Sc. Bioinformatics**

**Institute:**

**Rajiv Gandhi Institute of Information Technology and Biotechnology**

**Duration: 2 years**

### **Highlights of M Sc Biotechnology :**

Advances in science and technology have seen transformations of traditional biotechnology techniques, into modern ones which has opened the door to more

varied applications in areas such as health care, the environment, forestry, industrial processes and others

The course curriculum lays emphasis on imparting the advanced knowledge and hand-on training in all areas like Biochemistry, Microbial Biotechnology, Plant & Animal Tissue Culture techniques, Genetic Engineering etc. One entire semester is devoted to project for gaining insight to R & D practices.

#### **Highlights of M.Sc. Medical Biotechnology:**

This course is under the Faculty of Interdisciplinary Studies.

The course curriculum lays emphasis on imparting the advanced knowledge and hand-on training in all areas like Biochemistry, Microbial Biotechnology, Plant & Animal Tissue Culture techniques, Genetic Engineering etc. Emphasis is on the areas related to biotechnology for health. One entire semester (4<sup>th</sup> Semester) is devoted to project for gaining insight to R & D practices.

#### **Highlights of M.Sc. Bioinformatics:**

Twenty first century biology has been transformed into integrative biology due to paradigm shift from reductionist to holistic approach. The data explosion is one of the obvious causes of the transformation to holistic or systems biology mode. In order to have deeper insights in to biological systems, integration of the data from genome to phenome levels to generate dynamic models has surfaced as key area of bioinformatics.

This course is under the Faculty of Interdisciplinary Studies. The course curriculum is designed to empower students to face cutting edge technological applications in bioinformatics sector; to develop skills in relevant areas to enhance employment opportunities, to introduce emerging areas of NGS, drug designing and data mining and to foster global competence among students with emphasis on imparting hands-on training needed for the same. One entire semester (4<sup>th</sup> Semester) is devoted to project for gaining insight to R & D practices. It is our endeavor to impart training to our students to make them desirable candidates for employment or become entrepreneurs in various sectors related to the field.

### **M.Sc (Nursing)**

#### **Institute:**

- **College Of Nursing, Pune**
- **College Of Nursing, Sangli**
- **College Of Nursing, Navi Mumbai**

#### **Duration: 4 years**

#### **Highlights:**

- Increased cognitive, affective and psychomotor competencies and the ability to utilize the potentialities for efficient nursing performance.
- Expertise in the utilization of concepts and theories for the assessment, planning and intervention in meeting the self-care needs of an individual for the attainment of his/her fullest potential in her/his field of specialty.

- Ability to practice independently as a nurse specialist.
- Ability to function effectively as educators and administrators.
- Ability to interpret health related research and develop initial competencies in conducting research.
- Ability to plan and initiate change in the health care system, in practice and in the delivery of health care.
- Leadership qualities for the advancement of the practice of professional nursing.

### **MASTER OF SCIENCE (AUDIOLOGY)(M.Sc. Audiology)**

**Institute:**

- **School of Audiology and Speech Language Pathology, Pune**

**Duration: 2 years**

**Highlights:**

- Full-time two-year courses recognized by Rehabilitation Council of India, New Delhi.
- Excellent balance between theoretical, clinical and research aspects to develop professional judgment and scientific competence.
- Course mainly emphasizes in-depth study of the core areas in the field of Audiology & Speech Language Pathology & recent advances in the field and allied areas.
- Integrated, inter disciplinary content with relevant aspects of research methodology, statistics, and other allied subjects
- Excellent guidance facility from recognized guides for dissertations.
- Clinical training in various departments of the School of Audiology and Speech Language Pathology, Bharati Hospital and extension centers.
- Opportunity to carry out interdisciplinary research in collaboration with Bharati Hospital
- Opportunity to develop tools for assessment and management of persons with speech/language/hearing problems in collaboration with Bharati engineering college

### **MASTER OF SCIENCE (Speech)(M.Sc. Speech)**

**Institute:**

- **School of Audiology and Speech Language Pathology, Pune**

**Duration: 2 years**

**Highlights:**

- Full-time two-year courses recognized by Rehabilitation Council of India, New Delhi.
- Excellent balance between theoretical, clinical and research aspects to develop professional judgment and scientific competence.

- Course mainly emphasizes in-depth study of the core areas in the field of Audiology & Speech Language Pathology & recent advances in the field and allied areas.
- Integrated, inter disciplinary content with relevant aspects of research methodology, statistics, and other allied subjects
- Excellent guidance facility from recognized guides for dissertations.
- Clinical training in various departments of the School of Audiology and Speech Language Pathology, Bharati Hospital and extension centers.
- Opportunity to carry out interdisciplinary research in collaboration with Bharati Hospital
- Opportunity to develop tools for assessment and management of persons with speech/language/hearing problems in collaboration with Bharati engineering college

### **Master of Optometry (M.Optom.)**

**Institute:**

- **School of Optometry, Pune**

**Duration: 2 years**

**Highlights:**

- Develop expertise in assessment, evaluation, planning and intervention in achieving eye care needs of the Indian society.
- Actively participate in community optometry programs to achieve the goals of Vision 2020 and the national program for prevention of blindness. Effectively organise and participate in vision screening eye camps to help control blindness.
- Practice independently as a primary eye care practitioner and render eye care services for the benefit of the society.
- Maintain collaborative relationship with members of other disciplines to improve health care.
- Interest in lifelong learning for personal and professional advancement.

### **L.L.M Program (Two-Year Course)**

**Institute:**

**New Law College**

**Specialization :**

- **Business Law**
- **Human Rights Law**
- **Intellectual Property Law**
- **Environment Law**

**Duration: 2 years**

**Highlights:**

- Awareness of Indian approaches to social and economic problems in the context of law as a means of social control and change.
- A spirit of inquiry to explore and exploit law and legal institution as a means to achieve development within the framework of law. The endeavour is to make the students aware of the role the law has played and has to play in the contemporary Indian society.

### **Master of Architecture (Sustainable Architecture) [M. Arch. Sustainable Architecture]**

**Institute:**

**College Of Architecture, Pune**

**Duration: 2 years**

**Highlights:**

- The impact of human activity on the environment
- The concept and practice of sustainable development
- Ways of reducing and repairing environmental damage and related laws.
- Principles of sustainable site planning and role of landscape in energy conservation

### **Master of Social Work (M.S.W.)**

**Institute:**

- 1. Social Sciences Centre Pune**
- 2. Abhijit Kadam Institute Of Management And Social Sciences Solapur**

**Duration: 2 years**

**Highlights:**

- To teach methods of social work practice such as Case Work, Group Work, Community Organization etc.
- To study about various techniques used in the field of Social Work profession.
- To provide knowledge in the areas of Family and Child Development.
- To provide knowledge in the areas of Urban and Rural Community Development.
- To provide knowledge in the areas of Human Resource Management and Labour Welfare.
- To teach about Social Welfare Administration and its programmes.

## **M.A. in Commercial Photography & Cinematography**

**Institute:**

**Bharati Vidyapeeth's School of Photography, Pune**

**Duration:**

**2 Years (Full Time)**

### **Highlights:**

Our path-breaking Masters' Programme focuses on imparting the best learning in both Commercial Photography and Cinematography in a practical, industry-relevant manner, making it a unique course for the next generation of new Images. Makers or those who want a mid-career boost.

- Peerless workshop-based teaching.
- The newest in instruction and infrastructure.
- Modules taught by proven professionals.
- Emphasis on imparting real-world skills.
- Focus on emerging technology & techniques.
- Crafted to create future-readiness and enhance prospects.
